Folks,

I plan to be in England on or about July 9th to (among other things) observe the Gentlemen's Final at Wembledon. If you would like to hear a Coyote story told in an authentic coyote voice, or you would be interested in a lively and entertaining IDL seminar, this would be a good time to contact me. I'll be making my travel arrangements soon and I am very interested in visiting YOU. :-)

Cheers,

David

P.S. Let's just say people who hear a coyote story don't soon forget it. :-)
