Well, I am *definitely* in the naive category, and this is
certainly what I expected, if that confirms your theory at all. :-)

This must seem strange to somebody other than us virgins.
What do those folks make of it?

Cheers,

David

P.S. I realize it is almost a sacrilege to have worked with
IDL for as long as I have and still be surprised by something
like this, but they you go. Naive as the day I was born!
