There is no IDL-PVWave FAQ corresponding to this newsgroup. Rather there seems to be a pair of intertwined FAQ's, one directed more towards IDL and the other more towards PV-Wave:

PV-Wave FAQ
IDL FAQ

Here is an additional useful resource:

From the "PV-WAVE Technical Notes" page at VNI, you can find the
PV-WAVE Quick Reference Guide, in three formats:
 Frame,
 PostScript,
 PDF

Does anyone know if there's a similar quick-ref for IDL?
