Just use the control string character !C. Here is an example from one of my
programs. This is in XYOUTS, but I think it should work just in plot titles.
This draws 3 lines of text, one above the next.

xyouts, 80, 1.2e16, 'Undulator A!C10.5 - 12.5 mm gap!Cmeasured field', $
     align=0.5
