Subject: Re: POLYFILLV weirdness
Posted by dktr.ted on Fri, 17 Nov 2006 17:19:34 GMT

Thanks for the confirmation. I had some confusion as to the location
of a pixel's center (whole number index versus half index), hence my
problem with the expected results of POLYFILLV. But your example
nicely demonstrates my suspicion that POLYFILLV is not working as it
should.
