Subject: Overlay Point Sources on Maps
Posted by David Fanning on Sat, 25 Nov 2006 17:49:28 GMT

Folks,

I have been asked several times lately how to overlay point
sources on map projections. I have written an article that
explains how I would do it. You can find it here

   http://www.dfanning.com/map_tips/ptsource.html

Cheers,

David
