
Subject: IDL 6.3 Installation error code 1633
Posted by [daniel](#) on Fri, 24 Nov 2006 20:16:48 GMT

We tried to install this week the IDL 6.3 software on several recent Windows XP computers, but we got everytime an error message from Windows: feature transfer error - code 1633 (the installation packet is not supported for this processor). Even with disabled virus scanner/fire wall and with all system installation rights.

Any help?

Rgds,
Daniel
