I was very firm with Google when I signed up. "This crowd is already oversexed," I told them, "we don't need any more Viagra ads!!!"

Cheers,

David

P.S. When I load my own pages locally I am continuously served up ads for rabbit calls, ammo, and camouflage clothing. I wouldn't have thought killing coyotes, which is pretty much what we did in Arizona in the 1950's for fun, was still such a popular sport. Some people never grow up, I guess. :-(
