Some time ago I left to programming in IDL but sometimes I read this newsgroup.

I think this post needs an appropriate reply.

I hope you have a good trip and remember to enter in a restaurant and scream to the barman: I WANT A "PINCHO TORTILLA" AND A GLASS OF WINE !!! (The most important to know for all foreigners is the "pincho tortilla").

Bye.

PD: If you come to BARCELONA (Catalunya - Catalonia) write me and invite you to a "PATATAS BRAVAS" with a lot of "ALLIOLI" :).
