Subject: Histogram looks like spiky bars Posted by rpertaub@gmail.com on Fri, 16 Mar 2007 15:14:32 GMT View Forum Message <> Reply to Message

Hi,

I have an image for which I want to make a histogram. I just do plot, histogram(image) with xrange being my 14 bit image size (~16000). ANyway, what I get is a bunch of vertical lines of different lengths. I want a smooth curve, not discrete lines. How do i do that? thanks!!
