The Bible says, when someone asks to go for 1 mile, then help that person to go for 5 miles.

All I am asking is to find a genuine lawyer, one who could help my case in Contingency basis, to get the justice I deserve as a victim since 1999 by this big life insurance company with their Korean agent for my \$3,000,000 Retirement Life Insurance and ROTH IRA.

They both intentionally fraud together, directly or indirectly, to this "hand-shake trusting" culture, unspoken English, 1st immigrant Koreans over 15 years in Virginia and Maryland State.

Please help to find a genuine lawyer to get the justice.
