i'm not sure that understand article becouse my result little strange :)

Here is fragment of my code

```
colors=[0,50,100,150,200]
data=p[68:98,2:9]
LOADCT,5,RGB_TABLE=c_table
; ISURFACE,data,VERT_COLORS=colors
; MINMAX,data
ISURFACE,data,RGB_TABLE=c_table,VERT_COLORS=colors
```

in article showing nice picture example for direct graphics... where i can look it's source code ?

Best regards
