The harassment didn't. start by itself, so someone must have been there at the outset. to give it a firm push and set the "animals" after me. It looks as if I was set. up in June 1990, and the timing indicates someone from university was. responsible.

In May or June 1990, Alan Freeman on Radio 1 read out a letter from. someone who had known me for a few years, who wrote of the. one who "wore out his welcome with random precision" (from the Pink Floyd song). Freeman. went on to say to the writer "that's a hell of a letter you. wrote there". The indication is strongly that people I had. parted from soon before nursed a grudge against me and. were trying to cause trouble for me.

The suggestion is that Freeman might have shown the. letter to other people, and things could have snowballed from there. Right from the. start the real source (security services. presumed) didn't announce themselves as the origin, but let the. "talkers", the radio DJs, believe that they were the originators.. Think about it; if you announce, "we're MI5 and we have a campaign against this bloke" then people might not go along. with it; but if you say, "everyone else is getting at. this bloke because he 'deserves' it" then people. will join in with fewer qualms.

> Why would "they" wish to. assassinate your character?

It's the. classic case of hitting a cripple to prove you're stronger. Why would the security services expend hundreds of thousands. of pounds and more than six years of manpower to try to kill. a British citizen? Because they are motivated. by people who knew me at university and feel personal animosity;. because they knew me to be emotionally weak, and it is in the nature of bullies to prey on those known to be weak;. and because they can rely on the complicity of the establishment, which the security. services manipulate and derive. funding from. This is England's biggest humiliation today, and the British security services are intent on preventing. their humiliation becoming reality. by continuing their campaign of attempted murder to. suppress the truth from becoming public.
