Subject: How to use IDL to write a large geotiff
Posted by bxlen on Mon, 31 Mar 2008 05:21:55 GMT

Hi,everyone,
    Will anyone tell me how to use IDL to write a large geotiff (it's
size is about 3G or more) or give some advce?My OS is 32 bits and
memory is 1G.
Best Regards,
Bxlen
