Did you try explicitly setting SCROLL = 0?

```
row4 = WIDGET_BASE(/row)
dataList = widget_table(row4,font="Arial*14" ,
row_labels=string(indgen(6)+1, $
    format='(I0.0)'), xsize=1, /no_column_headers, ysize=6, /editable,
SCROLL = 0)
WIDGET_CONTROL, row4, /REALIZE
```
