Subject: Is there a 32/64-bit save file

Hi all,

Is there a difference between a SAVE file made on a 32bit OS and a
64bit OS? I thought there was, but accidently I used a "64bit SAVE
file" (i.e. build on a 64bit OS) on a 32bit machine and it worked. I
seem to remember there were some issues...

Wout
