Founded in the late 70's, our client is a growing, self-funded, profitable
software company located in the Boulder, employing over sixty people. Our
cliet pioneered the development of visual data analysis software.

The position requires at least:
1) 4+ Years Commercial SW Development Experience
2) 2+ Years Commercial Development IDL
3) In-depth knowledge one or more of the following technology areas preferred:
data analysis and data visualization, 2D/3D graphics, and user
interface design.
4) A BA/BS degree in Computer Science or related technical discipline is
strongly preferred.

If you are interested:
1) Email your text resume with salary info within an email message.
2) Copy your resume from your word processor and paste it into the email.
3) Don't worry about the format, we reformat everything for data storage.
4) Do not send your resume as an attachment!!!!
5) Title the email in the subject line of the email: "your last name,
"COIDL."
6) Email to resume@peakweb.com.
7) You may also fax your resume to (303)745-6425. Confirm receipt!!!
8) EMailed resumes are preferred.
