Subject: Targa (TGA) reader Posted by Phil Mulhall on Wed, 05 Jun 1996 07:00:00 GMT View Forum Message <> Reply to Message

IDL users,

Has anyone seen an IDL procedure to read/convert TARGA (.TGA) files? I have a bunch of image files I would like to process and I do not want to have to convert them using HiJaak. I have checked with RSI, Ray Sterner, and a couple of other sites on the WEB without any luck.

Thanks
