## Subject: SAV file call external function problem? Posted by Rongchang Chen on Thu, 20 Nov 2008 10:10:57 GMT View Forum Message <> Reply to Message

Hi everyone,

My SAV file use 'call\_function' command.

The 'function\_name.pro' which called by 'call\_function' command is to load image, but every experiment we will create new 'function\_name.pro' for the new images,it is impossible to compile and enclose all 'function\_name.pro' in SAV file in advance. Is it possible for SAV file to call external function which doesn't enclose in SAV file?? Thank you very much!!

With best wishes, Rongchang
