Folks,

Look people, knock it off. 36 posts and I haven't even been able to get to my breakfast yet!

I'm willing to give up my morning paper (it is pretty much worthless now anyway), and I can grab a cup of coffee on my way to work, but I **need** my breakfast. Give me a break!

Maybe it is my imagination, but ever since Reimar has come back volume here has tripled. ;-)

Cheers,

David

P.S. Maybe it's just all that dictionary work that is slowing me down this morning.
