Subject: IDL Demos at AGU Posted by David Fanning on Thu, 11 Dec 2008 21:28:10 GMT View Forum Message <> Reply to Message

Folks,

I will be at the AGU meeting in San Francisco next week doing demos of some IDL image viewing software I developed with the Catalyst Library for the National Snow and Ice Data Center (NSIDC). You can find me in both the NSIDC and the NASA booths at various times during the week. Please drop by and say hello if you are there.

Cheers,

David
