We have a winner!

Congratulations to the Largo, Florida person who searched Google for "Prudhoe Bay Alaska" and landed on my Deadhorse, Alaska page.

Alas, I don't think this person wants the assorted collection of old Black Sabbath LPs I found out in the garage recently that I was going to give as the grand prize. Guess I'll hang on to them and give them to the 3,000,000th visitor. :-(

Cheers,

David
