Subject: How to change the increment of FOR loop?
Posted by Hu on Wed, 11 Mar 2009 21:02:37 GMT

Hi, there
I got a question relating to the variational increment of FOR
Statement. I used the code like this:

```
;;; begin
increment =20
FOR j = 0, N-1, increment DO BEGIN
   IF a gt 0 THEN BEGIN
      ;......
      increment=10
   ENDIF ELSE BEGIN
      ;......
      increment=12
   ENDELSE
ENDFOR
;;  end
```

But the increment have not changed according to IF... ELSE ...
statement..
What I want is to change the increment according to different
conditions. that is, if variable a is greater than 0, the increment of
the FOR loop will be 10 , not its default value 20.....

Is there any solution to this problem?
