Subject: Is there any progress about memory management in IDL?
Posted by chenbo09@gmail.com on Fri, 08 May 2009 21:19:32 GMT

Hi all,

  "Unable to allocate memory: to make array" frustrated a lot of
people and was discussed a little bit in the past a few years, but
there seems to be no very explicit solution. Is there anyone who
knows progress regarding these issue?

Bo
