Folks

I have a problem with contouring this kind of data:

49 31 1,67
49 33 1,56
51 29 1,6
51 31 1,74
51 33 1,65
53 27 1,43
53 29 1,72
53 31 1,64
55 27 1,59
55 29 1,67
57 27 1,61
57 29 1,56

x and y are Coordinates and z is an attribute that i want to show
this attribute changes with these coordinates (Contour plot). i dont
know how to do this in IDL.

Any help?

Cheers
