Folks

I have a problem with contouring this kind of data:

49 31 1,67

49 33 1,56

51 29 1,6

51 31 1,74

51 33 1,65

53 27 1,43

53 29 1,72

53 31 1,64

55 27 1,59

55 29 1,67

57 27 1,61

57 29 1,56

x and y are Coordinates and z is an attribute that i want to show
this attribute changes with these coordinates (Contour plot). i dont
know how to do this in IDL.

Any help?

Cheers
