I have updated by 3D scatterplot page to link to this
object graphics example plot, named Scatter_Surface.

   http://www.dfanning.com/tips/scatter3d.html
   http://www.dfanning.com/tip_examples/scatter_surface.pro

The program will *certainly* need other programs from the
Coyote Library:

   http://www.dfanning.com/documents/programs.html

Cheers,

David
