No, i don't want the contour to be based on the weight of the points, neither set the important points by myself ( i want to do it automatically for several plots...)

Going back to the sketch:):

P PaP

PaaP

PaaaP

PaaaaaP

I just want the contour to connect all the points on the very left, right, top and bottom, that is to say, all the P points = the surrounding points actually.

Cheers
