Folks,

I wanted to say thanks again to those of you who through the year have been inspired to support the IDL community by contributing to Coyote's Guide to IDL Programming. As you know, Coyote matches these gifts so that the funds you contribute go twice as far in producing good works.

This year your generosity has enabled Coyote to write the following checks to local charities:

Crossroads Safehouse \$150
Pathways Hospice \$125
Open Door Mission \$250
Larimer Country Food Bank \$500

He and I both thank you for your continuing generous support, and wish all of you a Happy New Year!

Cheers,

David
