Folks,

Whoa! I see I just blasted through 3 million page downloads. I was going to have a big party for the 3 millionth visitor. (Didn't we just have a party for the 1 millionth visitor!?) Oh, well, I'll try to catch that 4 millionth visitor. Should happen soon. Daily page counts are up nearly 100% from last year!

Believe it or not, my ice page (a picture of sea ice)

has taken over from the perennial "pretty girl" Oktoberfest page winner:

Not sure if this bodes well for humanity or not. :-(

Cheers,

David
