Subject: Search across open .pro files
Posted by Haje Korth on Thu, 26 Aug 2010 16:30:48 GMT

Hi,
I am trying to search across ALL .pro files that are open in the
editor in IDL 8, but I cannot figure how to do that. "Find" only
searches the current document and I cannot get "Search" to return any
results. What am i missing about this simple task?

Thanks,
Haje
