Subject: ESRI shape file
Posted by d.poreh on Fri, 27 Aug 2010 13:03:36 GMT

Folks
I have some (lon, lat, Z) data (data with coordinates) and I want to
save this data in .shp (ESRI shape file) file (in GIS it is so easy).
Does anyone have any idea?
Cheers,
Dave
P.S. I wish David was here because he has lots of experience in shape
files data:-(
