Take five minutes to read this and it WILL change your life.

The Internet has grown tremendously. It doubles in size every 4 months. think about it. You see those 'Make.Money.Fast' posts more and more. That's ... because it WORKS ! So I thought, all those new users might make it work. And I decided to try it out, a few months ago. Besides, whats \$5.00, I spend more than that in the morning on my way to work on coffee and cigs for the day. So I sent in my money and posted. Everyone was calling it a scam, but there are SO many new users from AOL, Netcom, etc. they will join in and make it work for you.

Well, two weeks later, I began recieving bucks in the mail! I couldn't believe it! Not just a little, I mean big bucks! At first only a few hundred dollars, then a week later, a couple of thousand, then BOOM. By the end of the fourth week, I had recieved nearly \$47,000.00. It came from all over the world. And every bit of it perfectly legal and on the up and up. I've been able to pay off all my bills and still had enough left over for a nice vacation for me and my family.

Not only does it work for me, it works for other folks as well. Markus Valppu says he made \$57,883 in four weeks. Dave Manning claims he made \$53,664 in the same amount of time. Dan Shepstone says it was only \$17,000 for him. Do I know these folks? No, but when I read how they say they did it, it made sense to me. Enough sense that I'm taking a similar chance with \$5 of my own bucks. Not a big chance, I admit--but one with incredible potential, because \$5 is all anyone ever invests in this system. Period. That's all Markus, Dave, or Dan invested, yet their \$5 netted them tens of thousands of dollars each, in a safe, legal, completely legitimate way. Here's how it works in 3 easy steps:

STEP 1.

Invest your \$5 by writing your name and address on five seperate pieces of paper along with the words: "PLEASE ADD ME TO YOUR MAILING LIST." (In this way, you're not just sending a dollar to someone; you're paying for a legitimate service.) Fold a \$1 bill, money order, or bank note inside each paper, and mail them by standard U. S. Mail to the following five addresses:

1- Fern Suarez
Mallorca 112
Hato Rey, P.R., USA, 00917

2- Philippe

2104 De Mexico
Chomedey, Laval
Quebec, Canada
H7M 3C6

3- Natalie Jansen
Lancveldlaan 18
5671 CN Nuenen
Holland

4- Chad Collier
2785 Cold Springs Rd. #49
Placerville, CA 95667

5- Steve Boltinghouse
1009 Bird St.
Hannibal, MO 63401

STEP 2.

Now remove the top name from the list, and move the other names up. This way, #5 becomes #4 and so on. Put your name in as the fifth one on the list.

STEP 3.

Post the article to at least 250 newsgroups. There are at least 19000 newsgroups at any given moment in time. Try posting to as many newsgroups as you can. Remember the more groups you post to, the more people will see your article and send you cash!

STEP 4.

You are now in business for yourself, and should start seeing returns within 7 to 14 days! Remember, the Internet is new and huge. There is no way you can lose.

Now here is how and why this system works:

Out of every block of 250 posts I made, I got back 5 responses. Yes, that's right, only 5. You make \$5.00 in cash, not checks or money orders, but real cash with your name at #5.

Each additional person who sent you \$1.00 now also makes 250 additional postings with your name at #4, 1000 postings. On

average then, 50 people will send you \$1.00 with your name at #4,...\$50.00 in your pocket!

Now these 50 new people will make 250 postings each with your name at #3 or 10,000 postings. Average return, 500 people= \$500. They make 250 postings each with your name at #2= 100,000 postings=5000 returns at \$1.00 each=\$5,000.00 in cash!

Finally, 5,000 people make 250 postings each with your name at #1 and you get a return of \$60,000 before your name drops off the list. And that's only if everyone down the line makes only 250 postings each! Your total income for this one cycle is \$55,000.

From time to time when you see your name is no longer on the list, you take the latest posting you can find and start all over again.

The end result depends on you. You must follow through and repost this article everywhere you can think of. The more postings you make, the more cash ends up in your mailbox. It's too easy and too cheap to pass up!!!

So that's it. Pretty simple sounding stuff, huh? But believe me, it works. There are millions of people surfing the net every day, all day, all over the world. And 100,000 new people get on the net every day. You know that, you've seen the stories in the paper. So, my friend, read and follow the simple instructions and play fair. That's the key, and that's all there is to it. Print this out right now so you can refer back to this article easily. Try to keep an eye on all the postings you made to make sure everyone is playing fairly. You know where your name should be.

If you're really not sure or still think this can't be for real, then don't do it. But please print this article and pass it along to someone you know who really needs the bucks, and see what happens.

REMEMBER....HONESTY IS THE BEST POLICY. YOU DON'T NEED TO CHEAT THE BASIC IDEA TO MAKE THE BUCKS! GOOD LUCK TO ALL, AND PLEASE PLAY FAIR AND YOU WILL WIN AND MAKE SOME REAL INSTANT FREE CASH!

*** By the way, if you try to deceive people by posting the messages with your name in the list and not sending the bucks to the people already included, you will not get much. I know someone who did this and only got about \$150 (and that's after two months). Then he sent the 5 bills, people added him to their lists, and in 4-5 weeks he had over \$10,000!

TRY IT AND YOU'LL BE HAPPY!!! :o) !!!!!!!!!!!
