Subject: JSON in IDL?
Posted by Dawn on Sat, 05 Feb 2011 00:13:54 GMT

There is an old post (below) asking about JSON support in IDL, has
anyone else a need for this?

Regards,
Dawn

Does anyone know of an JSON encoder/decoder written for IDL? I am
connecting to a web service that returns the result as a string in
JSON form. I need to decode that string.

Thanks.
