Subject: Mock-up of the Book
Posted by David Fanning on Mon, 07 Feb 2011 20:44:28 GMT

Folks,

I got a mocked-up copy of my book back this morning.
Wow! This is really going to happen!

I may have to print a couple extra for my mother.
It gives you chills to see all that work come to
fruition. :-)

There are still a couple of problems with the cover,
but the inside looks great. Now, all I have to do is
figure out how to print 100,000 of them so I can get
the price down low enough to sell the suckers.

Look for the pre-sales announcement any day now. We
are getting CLOSE! Thanks again for everyone's help.
It has been a real group effort.

Cheers,

David
