Mine just arrived, too, and it is beautiful. When I perused the pre-press PDFs I guess I didn't "get" the breadth of the book. Now, with it my hands, the genius of the Coyote Graphics system is plain to see. "This is it!" keeps popping into my head.

I don't think it is a coincidence that Amazon is trying to pitch a boxed set of Feynman's Lectures on Physics on the same page as David's new endeavor.

Yeah, David!
