Folks,

It looks like I am going to be out of the office--WAY
out of the office--most of the summer. So I am going
to suspend the Coyote Store while I am gone. IDL books
will still be available through Amazon and other book
distributors.

In anticipation of this, I am having a BIG BOOK BLOWOUT
with all my IDL books offered at discounts of at least
25%, including my latest book, Coyote's Guide to
Traditional IDL Programming, on sale for $64.95. The
sale will continue through May 31st when book sales
will be suspended for the summer.

Cheers,

David

P.S. I'm not leaving you. Just doing a lot of teaching
and traveling. :-)
