Hi,

Ever dreamt of being Bill Gates or Steve Jobs? If you have the entrepreneurial bug in you, don't miss the biggest event for Startups -- StartupCity.

Roll up your Sleeves. Meet over 100 'cool startups' at the Startup City on September 24, 2011 at Ms Subbu Lakshmi Auditorium,Mumbai. You can meet founders & the star engineers from these companies and see how they built cutting edge products

I guess it will add a great value.

I believe it is worth attending as there are interesting topics. (See the Sessions below).

The Conference starts :8.30Am To 4:00Pm.

The Date :24-September

The Venue:Ms Subbu Lakshmi Auditorium,Plot - H, Bhaudaji Road
Extention,Behind South Indian Education Society,Sion West,Mumbai - 2

Please find below is the url to go through the website

Watch live product demonstrations:

- Get a peek into cutting edge technologies
- Lay hands on the best-of-breed solutions
- Meet young, energetic, passionate geeks
- Experience the culture of innovation

Startups are always a nice place to work in. If you are working in a startup or want to join a startup or launch your own startup, this is an event you shouldn't be missing.

Thanks,
Ram
