Just pass it as an argument:

```
IDL> .comp
- PRO test, arr
- arr= indgen(4)
- end
% Compiled module: TEST.
IDL> help, asdf
ASDF      UNDEFINED = <Undefined>
IDL> test, asdf
IDL> help, asdf
ASDF      INT      = Array[4]
IDL>
```
