DO YOU NEED MONEY... AND NEED IT NOW!?

THIS IS THE FASTEST... AND FAIREST... WAY I KNOW TO SHARE THE WEALTH!

Would you like to make thousands of dollars quickly, legally, and with NO  
CATCH?

Then keep reading... please take five minutes to read this article in  
its entirety... it will change your life. It has certainly changed mine!

You can make up to, or over, \$50,000 in only 4-6 weeks. I know, it  
sounds like a scam, BUT IT'S NOT A SCAM... READ ON! Really, if you're  
interested, keep reading; if you're not, please don't let me waste any  
more of your time.

OK, still with me? A little while back, I was browsing through these  
newsgroups, just like you are now, and I came across an article similar  
to this that said you could make thousands of dollars in only weeks with  
an initial investment of ONLY \$5! And, like you, I thought "Yeah,  
right, must be a scam..." But, I was intrigued... like most of us  
are... and so I kept reading. Anyway, the article said that you were to  
send \$1.00 to each of the 5 names and addresses listed in the article.  
You then placed your own name and address and the article in at least  
250 newsgroups... there are thousands!... no catch... that was all you

had to do.

So after thinking it over and talking to a few friends first, I decided to try it... after all, if it really was a scam all I would loose would be my \$5 and the cost of 5 stamps, right? Well, guess what... within 7 days, I started getting money in the mail... NO kidding! I have to tell you, I was surprised to say the least. I still figured it would end soon and didn't give it too much thought. But then money kept coming in... tripling in numbers and multiplying by 10 and 20 times the amount that I got the first week! In my first week I made about \$20 or \$30. But by the end of the second week, I had made a total of over \$1,000!! In the third week, I had over \$10,000, and it's still growing. This is my fourth week and I've made about \$42,000 TOTAL.. and the money is still coming in.

Let me tell you how this works and more importantly, WHY it works... also, make sure you print a copy of the article so you get the information off it and can begin making money yourself. The process is very simple and it consists of just 3 EASY steps:

STEP 1: Get 5 separate pieces of paper and write the following statement on each sheet of paper... "PLEASE PUT ME ON YOUR MAILING LIST. YOU ARE NUMBER \_\_\_\_" (To do this, you paid for the service and made a investment. And make this legal. Then all people which check the newsgroupes will trust you and it makes your investment work in the net.) Get five \$1.00 bills and place ONE inside each piece of paper

that you just wrote on and fold the piece of paper so the bill will not be seen in the envelope (otherwise, nosey people who like to steal mail with money in it will get yours!) Put one folded note (with your \$1.00 bill) inside the envelope and seal it. Do the same for each of the five names. You should now have 5 envelopes sealed, EACH envelope has a piece of paper with the message asking to be put on the mailing list and a \$1.00 bill hidden inside the paper, right? This is IMPORTANT... Make sure you have written the message asking to be put on the paper... by doing this you are creating a service and keeping everything PERFECTLY LEGAL... Now, mail the 5 envelopes to each of the 5 addresses listed below:

1. K. Doake, P.O Box 54016, Tulsa, OK 74155-0016
2. J. Johnson, 6930 Oak Valley Lane, Colorado Springs, CO 80919
3. I. Chow, Suite 607-4944 Dalton Dr. NW, Calgary, Alberta, Canada t3A 2E6
4. Jun Zhou, 1132 W. Blaine St. #102, Riverside, CA 92507
5. Arthur Smilkstinsh, 10 Zemes St. Apr. 36 Riga, Latvia LV-1082

STEP 2: Now take the #1 name off the list that you see above, move the other 4 names up (5 becomming 4, 4 becomming 3, etc.) and put YOUR NAME as number 5 on the list. You can slightly alter this article if you need to, editing what you feel you need to edit.

STEP 3: Post your amended article... with your name as #5... to at least 250 newsgroups (I'm told that there are close to 18,000 of them!) and all you need is 250 or so, of them.

HOW TO DO THIS -- If you have Netscape 3.0 do EXACTLY the following:

A) Click on any newsgroup like you were going to look at it, then click on "TO NEWS" which is on the far left when you're in the newsgroup page. This will bring up a box to type a message.

B) Leave the newsgroup box like it is. CHANGE the Subject Box to something flashy like ... "NEED CASH \$\$\$ READ HERE \$\$\$" ... or ... "FAST CASH!!"

C) Tab once, and you should be ready to type. Now, retype (only once) this entire article... WORD FOR WORD ... except to insert your name at #5 and to remove #1 off the list, plus any other small changes you think you need to make. Keep almost all of it the same however!

D) When you're finished typing the entire article, click on FILE in THIS box (just above the SEND button... NOT where it says NETSCAPE NEWS on the first box) Now click on SAVE AS in the dropdown menu. Save your article as a text file to your C: or A: drive. DO NOT SEND OR POST YOUR ARTICLE UNTIL YOU HAVE SAVED IT! Once saved, move on to Step E below.

E) If you still have all of your text, send or post to this newsgroup now by just clicking the SEND button (just below the FILE dropdown menu and just above the C: button)

F) Here's where you're going to post to 250 or more, newsgroups

....OK... click on any newsgroup then click on "TO NEWS" ... again, in the top left corner of your screen. Leave the NEWSGROUPS BOX alone again, put a flashy subject title in the SUBJECT BOX, hit TAB once and you're in the body of the message. Now click on the ATTACHMENT button (just below the Subject Line) Another window will come up... click on ATTACH FILE ... now find the file that you just saved in the previous procedure. Click ONCE on the file and then click OPEN and then OK. If you did this correctly you should now see your file name in the Attachments Box and it will be highlighted.

IF YOU USE IE EXPLORER it's just as easy ... Holding down the left mouse button, highlight this article. Then press the "CTRL" key and the "C" key at the same time to copy the article. Then print the article for your records to have the names of those you will be sending the \$1.00 bills to. Next, go to the newsgroups and press "POST AN ARTICLE". A window will open... type in your headline in the SUBJECT area and then click in the large window below. Press "CTRL" and then "V" and the article will be placed in the window. If you want to edit the article you can do so and then highlight and copy it again (so your edited article will be copied again and again to each newsgroup) Now, everytime you post the article in a new newsgroup all you have to repeat is "CTRL" and "V" and press POST.

G) That's it! Each time you do this, all you have to do is type in a

different newsgroup so you can post this message to 250 or more,  
DIFFERENT, newsgroups. I know, I know, ... you've still got 249 to go!  
Don't worry, each successive article will only take about 30 SECONDS  
once you get the hang of it. Remember, 250 is the MINIMUM.. the more  
you post, the more money you will make!

That's it... THAT'S ALL THERE IS TO IT... JUST THREE EASY STEPS!!!

You are now in the mail order business and will start receiving your \$1  
envelopes from various people all over the world within days. REMEMBER  
.... the more newsgroups you post to, the more money you will make! You  
may want to rent a P.O. Box eventually because of all the mail. If you  
wish to stay anonymous, you can come up with a name, such as "manager"  
or "investor" ... just make sure all the addresses are CORRECT please.

Now... let me tell you WHY this system works...

Out of every 250 postings, let's say I only receive 5 replies... doesn't  
seem like much, does it? However, you will make \$5 cash... not checks  
or money orders but CASH ... with your name at #5.

Each additional person who sent you \$1 now also makes 250 additional  
postings with your name at #4... this is 1000 postings. On average  
then, 50 people should send you \$1 with your name at #4... that's \$50

CASH in your pocket!

Now, these 50 new people will make 250 postings each with your name at #3... that's 10,000 postings! Average return would be 500 people... that's \$500. Each of these people make 250 postings now with your name at #2... that's 100,000 postings.. average 5,000 returns at \$1 each is \$5,000!

Finally, 5,000 people make 250 postings each with your name at #1 and you get a return of \$60,000 before your name drops off the list! And that's only if everyone on the line made only 250 postings each... REMEMBER ... the more postings you make, the more money you make!

When your name is no longer on the list, you can just take the latest posting that is appearing in the newsgroups and send out another \$5 to the names on the current list, putting your name at #5 and start posting again. The thing to remember is this... thousands and thousands of people all over the world are joining the Internet and reading these articles every day... just like you are right now?! So can you afford NOT to send out your \$5 just to see if it works?! I think NOT!

People have said, "What if the plan is played out and no one sends you the money?" So what! What are the chances of that happening when there are TONS of NEW honest users and NEW honest people who are joining the

Internet and newsgroups every day and are willing to give it a try?

Estimates are at 20,000 to 50,000 users, EVERYDAY, with thousands of those joining the actual Internet. Remember, play FAIRLY and HONESTLY and this WILL WORK .. I promise you. You just have to be honest. Make sure you print this article out right now... also... try to keep a list of everyone that sends you money and always keep an eye on the newsgroups to make sure everyone is playing fairly. REMEMBER ... HONESTY IS THE BEST POLICY .. YOU DON'T NEED TO CHEAT THE BASIC IDEA TO MAKE MONEY!! Good luck to all and please play fairly and you will reap hugh rewards from this!

By the way, if you try to decieve people by postings the messages with your name on the list and not sending the money to the people already on the list, YOU WILL NOT GET MUCH RETURN! Someone I talked to knew someone who did just that and he only made \$150 after 7 or 8 weeks!! Then he sent the 5 \$1.00 bills out.. people added him to their lists... and in 4-5 weeks he had OVER \$10,000!

THIS IS THE FAIREST AND MOST HONEST WAY I HAVE EVER SEEN TO SHARE THE WEALTH OF THE WORLD WITHOUT COSTING ANYTHING BUT FIVE DOLLARS AND A LITTLE OF YOUR TIME! DO IT LIKE IT'S LAID OUT HERE...

IT WILL WORK!!

IT SHOULD WORK!!
