Folks,

Just three words to report about Hawaii: Manta Ray dive!
Wow!

Alright, Hawaii is paradise (although the women are probably larger than you imagined them to be), the diving is great (octopus, reef sharks, whales, garden eels, etc.), the food is delicious, and all of that. But the Manta Rays. Oh, my gosh! That was a LOT of fun whether you are diving or snorkeling. If you go to Hawaii and the Big Island, don't pass this up!

Cheers,
