Subject: Iplot crash

Posted by d.poreh on Sun, 22 Jul 2012 05:51:07 GMT

Folks
hi,
I have a question:
I have saved some graphs with iplot format *.isv .Whenever i am trying to open and edit them (for instance with a click on the points), entire idlde is going to be crashed!!!
Is there any solution for this?
Cheers,
Dave
P.S.i am with windows 32 OS.
