Exelis VIS will be at the 2012 AGU Fall Meeting in San Francisco next week. Please visit us in booth #916 in the Exhibition Hall. If you'd like to talk IDL, I'll be in the booth 9:30 - 11:30 am TWF. Feel free to leave a message for me at the booth if I'm not there.

We're also holding an ENVI and IDL user group meeting, which I'm excited about. Details can be found here:

Please come have a beer with me.

I'm really looking forward to next week. If you're at AGU, say hi!
