IMPORTANT MESSAGE !!

Yes for 150 \$ you can possibly buy a nice young tight boys ass for 1.5 hours.

This is in a district close to Rotterdam in Holland

The boys are 10-12 years old.

They have not been used more than 1 month at the most, some are untouched. Most of them from Pakistan but they aren't 100% black, the sperm only shows better on coloured skin anyway.

For 150 \$ you can use one of the boys 1.5 hours, that might not be long, but a 10 year old ass doesn't hold forever. You can use their mouth and asshole as much as the boys can take, the ones that already have been rented out all managed 1-2 penetrations in both the mouth and asshole. They are all instructed before first trip so they know how to suck, swallow the sperm and lick the dick clean afterwards. The assholes are well greased with Vaseline and stretched a bit just so they can take a dick. They can also massage you with oil and lick you in your asshole.

Urin stuff is not allowed, neither is SM, you must not hurt the boys, then action will be taken.

What you have to do is reply fast, because we can only use the same address a day or two. On replying you will receive a phone number. There you will be given a new phone number where you can arrange the meeting. Money is paid when the boy is delivered. If the boy has been beaten or hurt more then one can do with a dick you will be held responsible because we promise the boys protection against rapists. Only pure sexual use is allowed.
