Subject: Re: cgbarplot - barnames
Posted by Phillip Bitzer on Sat, 21 Sep 2013 17:07:37 GMT

There are no zeros in the ticks when I execute:

```
barnames = StrTrim(Indgen(23)+1995, 2) ;slightly changed from David's snippet
blanks = Indgen(11)*2+1   ;also slightly changed from David's snippet
barnames[blanks] = " "
cgbarplot, findgen(23), barnames=barnames
```

Are you sure you're using the latest and greatest version of the Coyote library?
