He in Brasil we have so small resources to do research that was a miracle
I had enought to buy IDL... But you are the top list guy to be consulted
as soon as I learn enought maitain a dialog with you about IDL!

By the way, Michael Steimer our local reseler of IDL told me how good
person you are!

About the issue with Slicer, I have a long path before I can understand
and "fix" any code to my needs... I have only 3 hours of study in IDL!

Thank you any way... Regards
Thomas.

PS: I been in Golden some yars ago and visited Boulder. I love it!!!
