Subject: Re: CW_PDMENU, changing
Posted by davidf on Fri, 09 May 1997 07:00:00 GMT

Stein Vidar writes in reply to one of my suggestions:

> Ah, a challenge..

How come everyone is taking my suggestions as challenges this
week. I am *not* offering any more books!

> Actually, this can be solved more generally without changing
> CW_PDMENU. Below are two procedures, CHECK_MENU and UNCHECK_MENU.

Not only a neat solution, but a recursive procedure to boot!
Nice going.

Cheers!

David
