Subject: IDL contact Posted by dfarrow on Mon, 24 Jun 1991 21:36:26 GMT View Forum Message <> Reply to Message

I am evaluating PV-WAVE and have been following the discussion comparing IDL and WAVE. I would like to compare them for myself but I don't know where to find IDL. I would appreciate some information about how to get IDL. Please respond via email to dfarrow@dora.csn.edu.
