PHOTO PHOENIX INTERNATIONAL

We are an international New York based agency representing photographers in the following areas: Galleries, Business and Organizations, Book Publishers, Paper Products, Consumer Publication, Newspapers & Newsletters Publication, Special Interest Publication, and Trade Publication.

We are seeking photographers who strive for excellence in the aesthetic/creative and technological world of images, who have the talent to capture the setting and to convey the mood. Your work should reflect a genuine, pervasive interest in photography as a fine art.

Whether your work portrays conservative, experimental, stylish, or innovative themes, your project proposal should be well thought out before submitting to us.

For first contact, please submit a query letter, direct mail flier/brochure, tearsheets, slides, photographs & SASE. Do not send entire portfolio unless we ask for it. If we are not interested, you will not hear from us, so please submit material that does not need to be returned.
