---

i have a fits image of dim[4096,4096]

i want to plot the subfield image from the fits image i have..

```
plot_map,map,xr=[x1,x2],yr=[y1,y2]
```

but im getting this error message

```
% PLOT_MAP_INDEX: syntax --> plot_map,map
```

can some one help me in this..

Or

can anyone guide me out in how to get the subfield image from a given fits image.
